

Terry Smorch

My wife, Carol, and I reside in Lake Elmo, MN with our 4 dogs. We have two Keeshonden; Pixie (15 year-old female) and Tess (4 year-old female), and two Border Collies; Remy (9 year-old female) and Presto (2 year-old male).

I'm employed by 3M Company as a process development engineer in the HealthCare area (I figure out how to efficiently manufacture new medical products) and am also an avid home brewer.

I've been actively involved in dog agility since 1993 and have trained and competed with four dogs (Ramsey, Pixie, Remy and Presto) at the highest levels in USDAA, AKC and NADAC. Ramsey, Pixie and Remy have all earned championship titles and have, in total, placed over 20 times at National events, with 13 first places.

My main focus in agility training is developing and maintaining the dog's focus and enthusiasm for the sport, and developing a solid foundation for success in the future. I'm a firm believer in using positive reinforcement and structuring lessons so the dog and handler will be successful.
